How to become a Friend of Méréville

Proud of its heritage, the Essonne Department wishes to restore the Domaine of Méréville to its former glory. The investment project is nearly € 8.3 million. You can be part of this campaign in becoming a Friend of Méréville. Your patronage will support the general operating fund or you may direct your contribution to any restoration program to be conducted from 2019 to 2021:

1. Restoration of the Gardens

- a. Renovation of the Bridge of the Golden Orbs (photo) built in 1784 by François-Joseph Bélanger.
- b. Restoring all the water scenes including the lakes and the Great Cascade
- c. Public access programs: upgrading the public facilities, signalization and garden's furniture

2. Castle restoration programs

Renovation of the château's facades and roofing in their neo-classical style

When becoming a Friend of Méréville, you will receive benefits, such as exclusive information and updates on the restoration projects, an invitation for a private guided tour of the Méréville's Gardens and, depending on the amount of the donation, privileged access to special VIP events.

US based donors can support our activities in a tax-efficient way through the contribution to the American Friends of Méréville under the umbrella of the French Heritage Society, a public charity within the meaning of sections 501(c)(3) and 170(b)(1)(A)(iv) of the US tax code. Donations will be eligible for the maximum tax benefits allowed by the US tax law.
